

Confederation of European  
Environmental Engineering Societies

## Publications of The Confederation of European Environmental Engineering Societies

CEEES publications were originally initiated as a group of formal documents that CEEES would make available as hard copies. They include reports of work undertaken by CEEES groups, textbooks on Environmental Engineering topics as well as CEEES conference proceedings. CEEES publications are additional to the CEEES reports, workshops and papers available in the "Downloads" section of the website.

No. 1: A Bibliography on Transportation Environment,  
ISSN 1104-6341, Published by Packforsk in 1994.
